Greetings Liberty High School Families

This letter is to inform you of an amazing opportunity we have at the school called College Credit Plus, CCP. Liberty High has partnered with local colleges and universities with a special relationship with Sinclair Community College to offer our students college classes while they still attend Liberty High pursuing their high school diploma. Here is some information about CCP:

- College Credit Plus (CCP) gives students in grades 7-12 the opportunity to take college courses for free and earn high school and college credit before graduating high school.
- **BENEFITS FOR STUDENTS & THEIR FAMILIES**
 - Earn high school and college credit for classes taken
 - Reduce the time and cost to earning college credit
 - CCP course grades are weighted the same as AP/IB and other advance standing classes on high school transcript

If you are interested in CCP or would like more information about the program please join us here at Liberty for an informational session Wednesday March 11 at 10:30am or 2:20pm. Any Student or parent interested in the program is highly encouraged to attend this meeting.

If you have any questions or concerns about the program please reach out to the school to speak to Mr. Gadson, placement specialist, or Mr. Smoot, Director here at the school. You may also refer to our website for additional details.
